Ruth gave a report on Sponsorship. She said she is going to offer another opportunity at 6pm. Before the July gathering for sponsorship training. Notifications will go out.

Tom McCarthy is stepping away from his position as CLD. We need to share this information at the gathering, and remove him from the Upper Room website and our Roster. Please be in prayer about who God would like to be our CLD.

Dan gave a report on supplies and said he plans on going thru the skit props before the next weekend.

Siiri said she is going to contact the copy source and report in July if we have any outstanding balance on our Emmaus account. Tara is also going to contact them to order the schedules for the Men's walk to give to the LD, Brad Rine.

Mary gave a report on Communications. Everything she said is coming together and jobs are all being split up well. She has a good team.

Submitted,
