AGAPE NEWS

*****Table Agape Needed*****

For each Weekend, 65 pieces of identical agape is needed. Agape can be taken to the Agape room during the walk weekend. Please remember that Table Agape is an expression of unconditional love; therefore personal names are not attached, although Reunion Group or church names are acceptable.

Childcare

Childcare is available at all Gatherings, Closings and Candlelight services. We request a donation of \$1 per child to help offset the cost of the childcare workers. Children can be taken to the Sunday School rooms on the first floor of the Burnside Center.

A New Community Member's Reflection

My walk was perfectly timed for me. I needed the energy and love that I felt throughout the weekend. Not only from my leaders but mostly and more importantly my fellow pilgrims. I wasn't sure what to expect going in but found myself intrigued by every minute of every talk and event. My Jesus moment was during Friday night. I was praying and sitting next to me was a young man who literally showed his true heart and emotion which led me to console him. It was then when I realized why I was there. To help our future generations "get to know God". During the weekend I formed such a bond with many people but mainly my table mates. We had a perfect table, all different ages and backgrounds from a twenty something to an eighty year old. We had farmers and businessmen, factory workers to poets. All with the same purpose to find our true path to God. My relationship with the table of Luke became a special bond which I will cherish the rest of my life. They held me up when I was down and hopefully I did the same for them. Spiritually, I found that my job is not done in this world. I am here to work with Christ, spread his love, his Word and his caring for all who follow. In my Fourth days I found myself missing the group and wondering what more can be done. Since my Walk I have decided it was my turn to guide the youth (K-6) of our congregation - hoping to make a difference in their lives like Emmaus did for me. Not a day goes by since Walk #71 that I don't think about how much more I can do. But I know that there is and I am looking forward to seeing where my Fourth days take me. To GOD be the Glory.

DeColores,

Kelly Reed
